R.F.D. No.10346-3 Mal.

Station Madras, *Dated the* 20th March 1940. 19

From (Name) Lt.Col.C.M. Ganapathy, M.C.,I.M.S.,

(Designation) Director of Public Health, Madras.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

I have the honour to forward for the information of Government a copy of report of the Municipal Health Officer, Hospet on the anti-malarial operations carried out in the municipality during 1939-40 as also a copy of letter No.346-D1-40, dated 11-3-40 of the Commissioner, Municipal Council, Hospet. The results of the operations are fairly satisfactory and the payment of a grant of Rs.483-15-0 being 1/3 of the actual expenditure incurred by the municipality is recommended with reference to

P.T.O.

G.O.No.Ms.1575 P.H., dated 1-5-39.

2. Attention of Government is, however, invited to an apparent discrepancy in the statement of expenditure furnished in the report. The amount shown against pay of staff (Rs.571-13-0) seems to be slightly in excess of the pay of the staff said to have been employed during the year, viz., one maistry on Rs.15/- per mensem and 3 coolies at Rs.10/- each per mensem. The grant may be paid subject to the condition that this discrepancy is satisfactorily explained by the Commissioner.

Explained vide p 20 (15

3. An amount of Rs.6/- due to be refunded by the Municipal Council on account of the excess amount drawn in respect of the grant for 1938-39 and referred to in the Commissioner's letter dated 11-3-40 may also be deducted from the grant amount to be paid.

p 18 infra

I have the honour to be,
Sir,
Your most obedient servant,

Lt.Col.I.M.S.,
Director of Public Health, Madras.

Copy to the Accountant-General, Madras.

21/3/40

Copy of letter C.No.346 D.1.40, dated 19th March 1940 from the Municipal Health Officer, Hospet to the Director of Public Health, Madras.

Reference:- Your reference S.566-1-Mal., dated 11-3-40.

I enclose herewith the report called for in your above reference.

Report on the Anti-malarial Operations conducted during 1939-40 at Hospet.

Antimalarial operations were conducted during 1939-40 throughout the official year. All the breeding grounds i.e. rice and sugar-cane fields pits in vegetable gardens Raya and basavanna channels and other water stagnants were being treated systematically once a week with a mixture of Paris Green and road dust. The staff employed are one maistry on Rs.15/- per month and three coolies on Rs.10/- each per month.

The conditions laid down in para 1 (i) and (ii) of the G.O.No.Ms.1575 P.H., dated 1-5-1939 have been fulfilled.

The total expenditure incurred during the year 1939-40 is Rs.1451-12-0, details of which are given below.

Statement of expenditure.

---

1. Pay of Staff ..	571-13-0	
2. Cost of paris green.	879-15-0	
Total.	1451-12-0	

During the year weeding of Raya and Basavanna channels with its tributaries was carried out at a cost of Rs.355-5-0 and has been reported by Commissioner, in his letter C.No. 346-D1-40, dated 9-3-40.

Provisions of Section 224 of the Madras District Municipalities Act were made use of to fill up the pits and cases have been booked where the notices were not complied with. Construction of buildings in malarial zone which extends two furlongs from Raya channel were

strictly prohibited and action is taken for removal of the unauthorized constructions as provided under the Madras District Municipalities Act.

820 tablets of Quinine were distributed among 61 persons. Malaria cases treated in the Government Hospital and the total admissions for all diseases in the Government Hospital are given below, from 1933.

Year	Malaria cases treated.	Total admissions of all diseases.	Percentage of Malaria cases to total cases of all diseases.
1933	970	Not available.	
1934	8235	do.	
1935	8362	45,070	18.1
1936	5196	57,840	13.7
1937	3906	35,251	10.6
1938.	4596	35,527	12.9
1939	6640	41,971	15.8

During the year there has been an increase in number of malaria cases treated in the Hospital; but it is less than 1934 and 1935, when no antimalarial operations were carried out.

(11) This year there has been a wave of epidemic of malaria in the district and there had been a number of cases in non-malarial areas also. The increase is partly due to cases coming from outside the municipal area. Labouring classes (Vaddars) often visit Nagar and Hosur, Nizams' state in search of labour where malaria is endemic and thus bring infection. There has been a change in the personnel of the Medical Officer and it is also to some extent responsible for the increase.

The northern part of the town is declared as Malarial zone, while the southern part is free. Spleen rates taken during 1930; 1938-39 and 1939-40 are given below:-

	1930.	1938-39.	1939-40.
Chithawadigi: Malarial zone	60.1	8	8.6
Northern part of the town.	55.1	2.4	10.4

The spleen rate during the year is slightly higher as compared with last year but it is very much less

when compared ~~with~~ to 1930. Even the increase in the malarial zone is due on account of the labouring classes going out often to Nagar and Hosur in search of employment when they do not get it in Hospet. The average spleen rate in Malarial zone works out to 9.5%. There were 24 deaths from Malaria during the year 1939 as compared with 11 deaths from malaria in 1938. There has been slight increase in the incidence in Malaria and it has been due to the facts explained above. The local Medical practitioners were also enquired and they say that Hospet is far better from malarial point of view when compared with villages where they were taken to treat cases.

The wave of epidemic in the district is also responsible for the increase of malaria in the town. Had it not been for the anti-malarial operations, the incidence of Malaria would have been very great. On the whole the anti-malarial operations can be said to have been effective & the Govt may be requested to grant one third of the cost of the anti-malarial operations i.e., 483-15-0 to the municipality.

S.K.V. 21-3-40.

Copy of letter C.No.346-D1/40 dated 11th March 1940 from the Commissioner, Hospet Municipality, Hospet to the Director of Public Health, Madras.

Sub:- Grant - Public Health - Anti-malarial operations - statement of expenditure - submitted.

G.O.No.Ms.1575 P.H., dated 1st May 1939.

Anti-malarial operations were conducted during 1939-40 throughout the year from 1-4-39. All the breeding grounds i.e., rice and sugar-cane fields, pits in vegetable gardens, drainage channels and other water stagnants were treated systematically once a week with a mixture of Paris-Green and road dust. One maistry and three coolies were appointed for this work.

I give below a statement of expenditure including that of March 1940, incurred on Anti-malarial operations conducted during the year 1939-40. In the audit report para 12 of 1938-39 it is objected that an amount of Rs.6/- was drawn in excess during 1938-39. One third expenditure on the work for 1939-40 comes to Rs.483-15-0 as per the statement. The excess amount claimed during 1938-39 is deducted from this amount. The net amount to be adjusted to this municipality comes to Rs.477-15-0. A copy of the audit para 12 is also enclosed for your information. I request you to make the necessary arrangements for disbursement of Rs.477-15-0 being the net one third of the expenditure, out of the grant of Rs.500/- sanctioned in G.O.No.Ms.1575 P.H., dated 1st May 1939.

As the year is coming to a close, I request that the Accountant-General and the Government may kindly be addressed immediately to instruct the Treasury Officer at Bellary to pay Rs.477-15-0 to Hospet Municipality as grant for Anti-malarial work for 1939-40.

P.T.O.

Statement of Expenditure for 1939-40.

	Total
1. Pay of staff.	571-13-0
2. Cost of Paris Green.	879-15-0
	1451-12-0

Copy of the para No. 12 of the Audit Report for 1938-39.

Government Grant for Anti-malarial operation - drawn in excess.

In G.O.No. Mis. 1390 P.H., dated the 11th April 1938 the Government sanctioned a grant of Rs. 500/- equivalent to a third of the cost of anti-malarial operations during the year.

As an expenditure of Rs. 1,377-1-9 only was incurred during the year, the Council is entitled to a grant of Rs. 459/- only against the grant of Rs. 465/- drawn. The excess grant of Rs. 6/- would need refund.

By urgent.

Municipal Department.

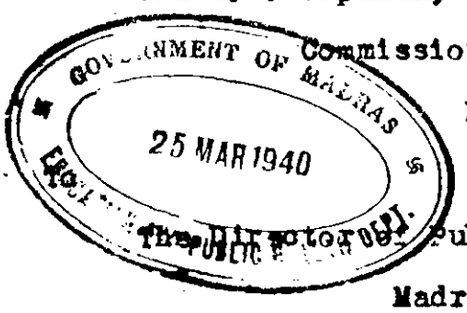
Hospet.



The Director of Public Health,

Madras.

C.No. 346-D1-40, dated 23-3-40.

Sir,

Sub:- Grant - Public Health - Anti-malarial operations - 1939-40 - discrepancy in the statement of expenditure - explained.

Ref:- Your letter No. R.F.D 10346-3-Mal, dated 20-3-40

The amount shown against staff for the anti-malarial work in this Municipality for 1939-40 is detailed below:-

1.	The pay of Staff for March 1939 (relating to 1938-39) paid in april 1939 (in 1939-40) . . .	Rs. 41-2-0
2.	The pay of the staff from 1-4-1939 to 29-2-40 . . .	485-11-0
3.	The pay of the staff for March 1940 . . .	+ 45-0-0
	Total	Rs. 571-13-0

The pay of the staff for March 1940 is also included in the total amount under this head, as the Council have not made any provision for the Anti-malarial operations in 1940-41 and there will be no grant from the Government.

Station Hospet ; *Dated the* 30-4- 1940

From (Name) Sri. N. G. Reddy, B.A., (Cantab)

(Designation) Commissioner, Hospet Municipality, Hospet.

To The Secretary to the Government of Madras, Education & Public Health Department. Madras.

Through The Chairman, Municipal Council, Hospet.

Sir,

Ref:- G.O. No. Ms. 1575 Education Public Health dated 1-5-1939.

The Government have sanctioned one third of the total expenditure for 1939-40 as grant for the antimalerial operations (Paris greening) for this Municipality in ~~this~~ their order read above subject to a maximum of Rs. 500/-. The expenditure for the work for the whole year came to Rs.1451-12-0. An amount of Rs.483-15-0 being the 1/3 the expenditure was due to the Municipality. In the Audit Report para 12 for the year 1938-39, the District Inspector of Local Fund Accounts stated that Rs.6/- was drawn in excess in respect of the grant for

Forwarded.
9.5.40
Chairman, Municipal Council, Hospet.

1938-39. This was deducted from the amount ~~is~~ due for 1939-40 and the Director of Public Health, Madras, was addressed in this Office C. No.346-D1-1940 dated 11-3-1940 to make arrangements for the adjustment of grant amounting to Rs.477-15-0. The Director of Public Health in his letter R.F.D. 10346-3-Mal dated 20-3-1940 to the Government recommended for the payment of the grant. In para 2 of this letter it was stated that the amount shown against the pay of the staff (Rs.571-13-0) ~~is~~ was slightly in excess of the pay of the staff said to have been employed during the year, viz, one Maistry on Rs.15/- and 3 coolies on 10/- each per mensem. In this Office R.C. No.346-D-1-1940 it was ~~xx~~ explained to the Director of Public Health how the amount of Rs.571-13-0 shown against the pay of the staff was arrived at.

(2) By 28-3-40 no orders were received by ~~the~~ me sanctioning this amount. But expecting such orders would be received before 30-3-40, a bill (in duplicate) for Rs.477-15-0 was sent on 28-3-40 in advance to the Treasury Deputy Collector, Bellary for adjustment. A wire was also sent to the Director of Public Health, Madras on 29-3-1940 regarding this. On ~~28-3-1940~~ 30-3-40 ~~regarding this~~ a wire was sent to the Treasury Deputy Collector, Bellary to adjust the grant under the impression that orders of sanction would have been communicated to him. But the Treasury Deputy Collector in his letter No.822/40 dated 30-3-40 states that the amount was not adjusted for want of authorization from the Accountant General.

I, therefore, request the Government to sanction Rs.483-15-0 less Rs.6/- during 1940-41 at an early date.

A. G. Mens.
Commissioner. 3/5/40

2/5/40.

Copy to the Director of Public Health for favour of information.

E & P. Hospl.

Cr No. 11696 E, From the D P H Rpt No 10346-3 Hosp dt 20-3-1940

11716 From the Corp Hospl mncpltg No 146 dt 23-3-40

A grant — Hospl municipality Antimalarial operations in 1939-40. — Disbursement.

(E) In Go Ms No. 1575 P H dt 1-5-39, the Govt sanctioned the payment to the Hospl mncpl Council, of a grant of Rs 500/- equivalent to 1/3 of the cost of antimalarial operations in 1939-40. Subject to the conditions: (1) that the mncpl Council provided a sum of Rs 1000/- being the balance of the estimated cost of the operations and (2) that the grant was disbursed in March 1940 when the scheme had been carried out in full to the satisfaction of the Govt of Madras as advised by the D P H

pp 13-14-1 In his letter dt 20-3-1940, the D P H has reported that the results of the operations are fairly satisfactory, and recommended the payment of a grant

of Rs 477-15-0 (Subject to verification of a discrepancy).

2. Under Finance Memo 4849-Mxpx-10/9:2.1940. no orders sanctioning payments of Mufassal Treasuries could be issued after 11.3.1940. The DPH's report of 20.3.40. was thus too late for the disbursement of the grant in 1939-40. But as the expx has been actually incurred, the grant has to be paid at least in 1940. However. There is no provision for the grant in the Annual Estimate of Expx for 1940-41. The grant will therefore have to be met by reappropriation later on in the year from savings :—

∴ The DPH may be requested to suggest a source from savings in which the grant can be met.

3. With refce to the discrepancy referred to in para 1 above attention is invited to the letter from the Comm. Hospl. Municipality and p. 20 of form which it will appear that a sum of Rs 407- being the pay

pay of the staff for March 1940 payable in April 1940 has been included in the total expn of Rs 7 - 13 - 0 on staff. As no grant will be paid from 1940-41 as pointed out by the Comptr and as the grant payable for 1939-40 is to be paid in 1940-41 there is no objection to the inclusion of the expn of Rs 45/- for March 1940 incurred in April 1940 also in the grant

4. A draft memo submitted for approval. Finance may therefore issue

~~All~~ memo dtd 2.4.40

What was the action taken in this office to inform the DPH about the memo at (I) — 4849 A Exp-1 dt 9.2.40?

Was the D.P.H. told that unless his report was received by 11.3.40 ~~—~~ orders authorizing disbursement will not issue?

JRY
3.4.40.

Submitted that as the memo at (I) was an ~~initiated~~ in direction to the dept of the Secrtt. it was as usual

usual lodged and circulated in Sections.

Exc 545/E1
lodged 16.2.40

Finance (B.G.)

Please see the draft memo. put up by the E+POH dept. This dept may agree to the Hospet municipality being paid during the current year (1940-41) the grant for anti-malarial operations which could not be disbursed in 1939-40. The following remarks are however called for on the amount

Fin. 14158/Bdr
4.4.40

of the Grant.

E+PH propose to disburse a grant of Rs 477-15-0 which is worked out at one-third of the total cost incurred by the Hospet Municipality on anti-malarial work as follows:-

Pay of Staff :	Rs	571-13-0
Cost of Paris green :	"	879-15-0
	3	1451-12-0
		483-15-0
Deduct excess payment in 1938-39		6-0-0
Net amount to be paid		477-15-0

Page 15 CF

Para 3 on p 14 CF

The amount under "Pay of Staff" above includes Rs 45 representing the Salaries of Staff for March 1940 disbursed in April 40 This amount is more properly an expenditure of 1940-41 and no share of it is ordinarily payable in view of para 3 of G.O. 1575 P.H. Dt 1.5.39 in which the D.P.H. was informed that the municipality should be carrying out the anti-malarial operations from 1940-41 without ~~expecting~~ any financial assistance from the Govt. It is however submitted that the Staff has actually worked in March 1940 and the debit of Salaries of that month to 1940-41 is only an account procedure. In the circumstances, the draft memo.
